COPYRIGHT TRANSFER AGREEMENT

MANUSCRIPT (SUBMISSION) NUMBER: _____

MANUSCRIPT (SUBMISSION) TITLE: _____

PRIMARY/CORRESPONDING AUTHOR: _____

1.

The intent of this Agreement is to protect the interests of both Faculty of Electrical Engineering and Computing University of Zagreb, the publisher of CIT. Journal of Computing and Information Technology (hereinafter referred to as the Publisher) and the author(s), and to specify reasonable rights for both parties related to publication and reuse of the material contained in the submission.

2.

The authors hereby grant to the Journal of Computing and Information Technology (hereinafter referred to as CIT) the right to edit, revise, abridge, and condense the manuscript. The agreement is applicable during the full term of copyright or any extension or renewal of that term. If the submission is not accepted for publication, or if the submission is subsequently rejected, this Agreement shall be null and void. Publication **cannot proceed** without a signed copy of this Agreement.

3.

Authors who publish with CIT. Journal of Computing and Information Technology agree to the following terms:

- Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under the Creative Commons Attribution-NoDerivatives 4.0 International ([CC BY-ND 4.0](https://creativecommons.org/licenses/by-nd/4.0/)) license that allows for redistribution, commercial and non-commercial, as long as it is passed along unchanged and in whole, with credit to the author.
- Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in this Journal;
- Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work;
- Authors will provide or fully cooperate in obtaining and providing the data on which the manuscript is based, so the editors or their assignees can examine it;
- The undersigned author is authorized to sign this Agreement for and on behalf of all authors listed in the submission.

Scientific Integrity Statement

Herewith I confirm that:

- This submission to CIT has **NOT** been previously published, fully or in part, in print or electronically;
- Once this submission is accepted for publication in CIT, it may **NOT** be withdrawn;
- This submission to CIT is **NOT**, nor it will be, before another journal for consideration, while under processing by CIT (or an explanation has been provided by filling the field "Author Comments");
- The submission is accompanied (by filling the field "Supp. files") by Contributions Form (a short description of the submission's contributions, which shall be used for editorial purposes, as well as the description of contribution of each author);
- This submission does not violate or infringe on any other copyright or other right(s) related to any other work;
- All necessary permissions, licenses and clearances have been obtained for this submission;
- All authors included on the manuscript fulfill the criteria of authorship, as well as that there is no one else who should be the author of the submitted manuscript but has not been included as an author;
- The corresponding author accepts responsibility for submitting this manuscript on behalf of any and all co-authors. After submitting this manuscript by the corresponding author, changes of authorship or in the order of the authors listed **will not be accepted**.
